“ So so sad to read today
8-23-19, of my Amazing friend and favorite person
In the whole wide world, has passed on. We shared so much Joy, Laughter and
Unconditional Love as we worked side by side at Neiman Marcus ,15 years,
celebrated Thanksgiving and Christmas dinners together, but most of all -
traveling to Florence,
Venice and Rome, Italia
(still have videos).
I will never forget the impact you had on my Life!
I miss you so much...sending condolences to your children and family.
Peace and Love

“ I worked for Art when they were developing Rainbow Lakes Estates in western
Marion County, Florida. He was the office manager in the Ocala main office. He was
so great to work for, generous and extremely funny. Then later when he managed
Rheinauers here saw him regularly when shopping there. At the Rainbow Lakes
office, and this was back when women did not wear pants to work, he said we should
wear high heels and white gloves to work. And though we didn't wear them he hated
flip flops. So one day we all wore white gloves and flip flops and paraded in to our
desks. He laughed so hard he nearly fell out of his chair. We worked hard for him but
we also had so much fun. Martha Anne Williamson

“ I met Art, where my father resides, at Pacifica Skylan. I really thought, so much of Art. We
had wonderful talks about everything. We both loved Europe and he told me, all about,
when, he went there, as a buyer. Art, always had a positive attitude and helped, me, when
discussing situations. I will miss him very much.

“ Art was truly one of the great Wildcats in the Ocala High School class of '57. Always had a winning smile. Lot of grea memories to cherish. I would be remiss if I did not give to praise to his mamma Evie Lowe for raising seven beautiful children. RIP my friend.
