“ We are Darryl and Joan Evans the current directors of BIBLE STUDIES BY MAIL, INC. Due to my (Darryl's) health we needed to return to North America, in late 2004. We sought the Lord's continued leading in missions and in March 2005 we began serving Him at B.S.B.M. under Gene Bunt's training and supervision, as he was B.S.B.M.'s director from 1998 until July 2005. Joan and I were impressed by Gene's deep felt and obviously lived out love-bond to serve in the ministry at B.S.B.M.! Gene Bunt lived like he was owned and operated by his Heavenly Father. His training and supervision were tender-tough and well caught and received by us. He caused us personally to marvel at his commitment and dedication and so encouraged us to follow Christ in such a manner. We thank God for causing our paths to cross with Gene N. Bunt on planet Earth!

“ Sympathy to Gene's wife Hortense and to family members and friends. It was a privilege and a pleasure to serve with Gene at the ministry office of Bible Studies By Mail in Las Cruces, NM. As director, Gene gave me a tour of the office and invited me to volunteer there (1998-2019...). As Gene was 30 years older, I enjoyed learning of his walk with the Lord and many colorful experiences. In time we learned that we were both saved at the age of 19... that we both left Roman Catholicism to protest its non-biblical teachings and practices... and that we had both served as Christian missionaries in South America. I enjoyed Gene's gentle spirit and admired his life-long commitment and dedication to Jesus and His work in the world. By mailing out countless Bible correspondence lessons, Gene was able to reach countless souls with the Gospel and then disciple them too. He is now meeting some of them in Heaven, and will meet many more. I look forward to seeing him there too. Mike Jackoboice, Las Cruces, NM.
