“ Rich and family-

We were so sorry to hear of Glenda's passing. Many good memories of good times spent together when we all lived on the Main Street of New Milford! (and more for Larry while Glenda and he were kids growing up.)

Please know that we are praying for you all and asking the Lord to give you comfort and a measure of peace at this time and in the weeks ahead. Glenda gone much too soon and our hearts go out to you! God be with you and may you feel the love and prayers of family and friends.

“ Glenda and I met when we rented booths at the Inman Antique Mall. I lost my job after we first met and I went through a very difficult time. She was a real encourager to me and I will cherish my memories of her. It is so sad to think I will not be able to share with her the good things that I now enjoy. She will be remembered as a lovely woman who shared herself in a quite way. Donna

“ I remember how She loved to be around Shannon and she was a wonderful grandmother to Mason, Shannon's big brother when Brad was with Stephanie. May God comfort you Brad and the rest of your family.
